The midtwenties through the midthirties can be a time of difficult transition: the security blankets of college and parents are gone, and it's suddenly time to make far-reaching decisions about career, investments, and adult identity. When author Christine Hassler experienced what she calls the "twenties triangle", she found

Download Ebook 20 Something Everything

that she was not alone. In fact, an entire generation of young women is questioning their choices, unsure if what they've been striving for is what they really want.

They're eager to set a new course for their lives, even if that means giving up what they have. Hassler herself left a fast-moving career that wasn't right for her and instead took the risk of starting her own business. Now, based on her own experience and interviews with hundreds of women, she shares heartfelt stories on issues from career to parents to boyfriends to babies. Yet she also provides practical exercises to enable today's woman to chart a new direction for her life.

If you've ever wondered why you aren't enjoying "the best years of your life," and why you're still mired in confusion about the choices you've made or need to make, this book is for you.

Download Ebook 20 Something Everything

Surrounded by possibility but unsure of your direction? You're not alone. If you're in your twenties, you're likely feeling the combination of the excitement of this defining decade and the pressure to figure out your entire life. The thrill of newfound independence and opportunity can be quickly squelched by worry, disillusionment, or disappointment. Like thousands of other twenty somethings, you may have experienced what life coach and quarter-life expert Christine Hassler calls an "Expectation Hangover?." This manifesto explores the all-important questions and life choices of these turbulent yet exciting years. Twenty somethings may commiserate about the challenges they face, but few resources offer practical lessons or suggestions. In these pages, quarter-life men and women tell their stories, sharing their successes

Download Ebook 20 Something Everything

and failures, along with their frustrations and realizations. The author's insightful commentary and "take away" suggestions provide the tools and skills you need to create change and direction in your life. You'll recognize and articulate your personal goals, paving the way to what you truly want.

"A 21st century book, grounded in ancient ways of practice." —Sharon Salzberg, author of *Lovingkindness and Real Happiness In The Mindful Twenty-Something*, the cofounder of the extremely popular *Koru Mindfulness* program developed at Duke University presents a unique, evidence-based approach to help you make important life decisions with clarity and confidence. As a twenty-something, you may feel like you are being pulled in dozen different directions. With the daily tumult, busyness, and major

Download Ebook 20 Something Everything

life changes you experience as a young adult, you may also be particularly vulnerable to stress and its negative effects. Emerging adulthood, which occurs between the ages of 18 and 29, is a developmental stage of life when you're faced with important decisions about school, relationships, sex, your career, and more. With so much going on, you need a guide to help you navigate with less stress and more ease. The Koru Mindfulness program, developed at Duke University and already in use on numerous college campuses—including Harvard, Yale, Princeton, MIT, Dartmouth, and several others—and in treatment centers across the country, is the only evidence-based mindfulness training program for young adults that has been empirically proven to have significant benefits for sleep, perceived stress, and self-compassion. Now, with *The Mindful Twenty-*

Download Ebook 20 Something Everything

Something, this popular program is accessible to all young adults struggling with stress. With Koru Mindfulness and the practical tools you'll learn from this acceptance-based, proven-effective approach, you'll be able to cultivate the compassion and mindfulness skills you need to manage life's challenges from a calm, balanced center, regardless of what comes your way.

“For an age group overwhelmed with information, Bradbury-Haehl finds a way to make it all manageable.” --Publisher's Weekly Let's face it: adulting isn't easy. That's why young-adult minister Nora Bradbury-Haehl created this essential guide to help you avoid the mistakes, missteps, and financial failures that took others years to learn. Each chapter includes practical, actionable advice that addresses the full range of life's

Download Ebook 20 Something Everything

challenges, including how to: make a new city feel like home; find the right job for you—and thrive once you've landed it; ward off loneliness and build meaningful post-grad relationships; set boundaries and live in harmony with your roommates—whether they're your peers or parents; and replace destructive habits with ones that make your life better. Whether you're seeking meaning and purpose in your life and career or just feeling stuck and confused about your next steps, within these pages you'll find answers to your most pressing questions and advice, encouragement, and inspiration from others who want to help you through these challenging years—together.

Your guide to making it as a real-life grownup! Like a lot of people, author Mary Traina spent her early twenties

Download Ebook 20 Something Everything

making a mess out of her life--until she realized it was time to toss the red Solo cups and finally grow up. In *The Twentysomething Guide to Getting It Together*, she teaches you how to bust out of your rut with practical advice for kicking your bad habits, taking action toward your goals, and moving on to the next stage of your life as an adult. From answering tough relationship questions to advancing your career, she'll tackle all your biggest issues as well as give you a step-by-step plan for getting through your twenties in one piece. Through Traina's signature humor, research, and real-world tips, this groundbreaking guide shows you how to: Date a real man. Escape entry-level hell. Stop binge-drinking and overeating. Emerge from a mountain of debt. Cut those toxic friends of convenience. With the same hip pop-culture references and endless wit that

Download Ebook 20 Something Everything

landed her a regular column on Zoey Deschanel's website, Mary Traina makes getting life together fun, easy, and--gasp--the cool thing to do!

A mother-daughter writing team reports on what's really up with kids today. Science writer Robin Marantz Henig and her daughter, journalist Samantha Henig, offer a smart, comprehensive look at what it's really like to be twentysomething—and to what extent it's different for Millennials than it was for their Baby Boomer parents. The Henigs combine the behavioral science literature for insights into how young people make choices about schooling, career, marriage, and childbearing; how they relate to parents, friends, and lovers; and how technology both speeds everything up and slows everything down. Packed with often-surprising discoveries, *Twentysomething*

Download Ebook 20 Something Everything

is a two-generation conversation that will become the definitive book on being young in our time. "The fullest guide through this territory . . . A densely researched report on the state of middleclass young people today, drawn from several data sources and filtered through a comparative lens." —The New Yorker

New York Times bestselling psychologist Dr. Meg Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a

Download Ebook 20 Something Everything

swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood.

Drawing from almost two decades of work with hundreds of clients and students, *The Defining Decade* weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. *The Defining Decade* is a smart, compassionate and constructive book about the years we cannot afford to miss.

Our twenties are a seemingly simple, yet daunting decade. It's a time that tends to

Download Ebook 20 Something Everything

be surprising, unsettling, freeing, yet so much fun. Twenty something begins by sharing the story of its end, as the author, Cimber Cummings, contemplates her inevitable and upcoming thirtieth birthday. As she reminisces on the past ten years, she remembers all that God has taught and revealed and changed in her since then. She thinks back to how beautiful and tragic, equally hopeful, and yet impossible those years were. And so to celebrate all that God has done, Cimber shares with her readers the journey of her twenties as short stories written by a friend. Whether through relationships failed, promotions given, or moves made across the country, she shares the gems of wisdom and truth God instilled in her through seasons of disappointment and delight. She knows she hasn't gleaned a lifetime's worth of knowledge about anything yet, but she learned some things about a few things

Download Ebook 20 Something Everything

that when added together, made up the deeply meaningful decade she came to love. As she journeys back and tries to make you laugh, she also doesn't apologize if she makes you cry a little too. Because we all need the realization that when navigating life as a twenty-something, we're not alone, or crazy, or at least not both at the same time.

When our expectations are met and things go according to plan, we feel a sense of accomplishment; we feel safe, in control, and on track. But when life does not live up to our expectations, we end up with an Expectation Hangover. This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively. Christine Hassler has broken down the complex and overwhelming experience of recovering

Download Ebook 20 Something Everything

from disappointment into a step-by-step treatment plan. This book reveals the formula for how to process Expectation Hangovers on the emotional, mental, physical, and spiritual levels to immediately ease suffering. Instead of wallowing in regret, self-recrimination, or anger, we can see these experiences as catalysts for profound transformation and doorways that open to possibility. Often it is only when life throws us a curveball (or several) that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love. By the time you finish this book, you'll understand why your Expectation Hangover happened and have your own treatment plan — a clear course of action to pursue your goals while preventing future disappointment.
