Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

DIVKnown for his authoritative, dynamic style, John Eckhardt combines instructive, narrative teaching about the role and power of the prophetic in the lives of believers today with succinct, powerful truths that will impact readers' lives. The author incorporates stories of his own and others' experiences into the book. He builds on the foundation of the Word of God and encourages readers to operate and function within the scope of God's plan for using the powerful gift of prophetic to build strong believers./div

Dennis Moore, details the differences between automotive and marine performance components and design. Topics covered include: -- The differences between auto and marine engines -- Starters, flywheels, ignition systems, exhaust and cooling -- Parts combinations and recommendations for performance applications Also included are photo/how-to sequences and instructions on build-up and installation as well as tuning and repair.
