Told through Donofrio's brutally honest, often ribald, emotionally unsparing voice, Astonished is a tender and hopeful narrative of healing and learning to love life again.

A bestselling memoirist bravely tells the story of the night evil paid her a visit—and how prayer chased evil away Beverly Donofrio had already lived two lives, first as a scrappy young mother on the streets of the East Village and later as the bestselling author of Riding in Cars with Boys. By the time she reached her fifties, she thought she had seen it all. Now, even though she was living in a vibrant, picturesque Mexican town, where she practiced yoga, drank margaritas in her backyard, and took salsa lessons, she felt lost and was

searching for monasteries to visit. The religious practice that had nourished her for several years had faded. She missed God. Then one night she woke to find a rapist holding a knife to her throat. So begins the memoir that charts Donofrio's journey—a long and twisting road through denial, mourning, anger, vulnerability, and retreat at five very different monasteries. Told through Donofrio's brutally honest, often ribald, emotionally unsparing voice, *Astonished* is a tender and hopeful narrative of healing and learning to love life again.

After being raped at knifepoint in Mexico, the author finds solace and sanctuary at five different monasteries.

Denied college, Beverly Donofrio lost interest in everything but riding around town in cars, drinking and smoking, and rebelling against authority. She got married and divorced and finally ended up in an elite New England university, books in one arm, child in the other. A book about the compromise between being your own person and fitting into society.

When it comes to disease, who beats the odds — and why? When it comes to spontaneous healing, skepticism abounds. Doctors are taught that “miraculous” recoveries are flukes, and as a result they don't study those cases or take them into account when treating patients. Enter Dr. Jeff Rediger, who has spent over 15 years studying spontaneous healing, pioneering the use of scientific tools to investigate recoveries from incurable illnesses. Dr. Rediger's research has taken him from America's top hospitals to healing centers around the world—and along the way he's uncovered insights into why some people beat the odds. In *Cured*, Dr. Rediger digs down to the root causes of illness, showing how to create an environment that sets the stage for healing. He reveals the patterns behind healing and lays out the physical and mental principles associated with recovery: first, we need to physically heal our diet and our immune systems. Next, we need to mentally heal our stress response and our identities. Through rigorous research, Dr. Rediger shows that much of our physical reality is created in our minds. Our perception changes our experience, even to the point of changing our physical bodies—and thus the healing of our identity may be our greatest tool to recovery. Ultimately, miracles only contradict what we know of nature at this point in time. *Cured* leads the way in explaining the science behind these miracles, and provides a first-of-its-kind guidebook to both healing and preventing disease.

God's Spirit is everywhere. *Miracles Every Day* is the story of Dr. Issam Nemeh, a Cleveland-based physician and devout Catholic who has prayed over tens of thousands of people from all faiths and all walks of life in the past two decades. The result? Miracles. Injuries healed, cancers cured, sight and hearing restored. Yet, as Dr. Nemeh will be the first to point out, “the miracles are just to get our attention.” The healings do not originate from him, but from God. It is this humility and dedication to those in need that have won him the respect and trust of laypeople and religious leaders alike. This inspiring chronicle, beautifully told by author Maura Poston Zagrans, traces the lives of the doctor and his dedicated wife, Kathy, and brings us the uplifting stories of the many people who have been healed through one man's powerful faith. *Miracles Every Day* is a compelling reminder of God's individual and unconditional love for each one of us. Along the way you will meet the dedicated family members, volunteers, and clergy who support the Nemehs in their work. They speak of a ministry of hope, of lives changed and saved through not just the power of prayer, but through the awesome Spirit-driven power of love.

This examination of the "Psalms of Historical Recital" reviews this portion of scripture's social-political intention and function. Focusing on Psalms 78, 105, 106, and 136, Brueggemann considers these psalms on their own terms and then applies them to the areas of modernity and marginality.

“Fans of Sarah Dessen and Mary Kay Andrews will enjoy this grown-up *Sisterhood of the Traveling Pants*, a story of risk, reward, loss, and love” (Booklist). A Publishers Weekly Pick of the Week and a New York Post Required Reading Pick It all starts when four unsuspecting women, on a singles' bike trip through Normandy, discover a mysterious red book about love. But did they discover it—or did the book bring them together? Somehow the possibly magical Love Book will insinuate itself into Emily's, Beatrice's, Max's, and Cathy's lives, which so far haven't turned out exactly the way society, their families, or they themselves have planned. Along the way, they'll be nudged, cajoled, inspired—perhaps even “guided”—in spite of themselves to discover love, fulfillment, and the true nature of being a soul mate. “The Love Book should come with a warning: Do not begin unless you can afford to finish it—today. I could not, and did not, put it down. A contemporary Jane Austen, Nina Solomon has written a smart and funny book about what it's like to be a woman, no longer young but not yet old and still single, looking for love in all the wrong places, only to find life. I laughed out loud so often I was downright downcast when I reached the last page and had to give up the good company of these wonderful characters.” —Beverly Donofrio, author of *Astonished: A Story of Healing and Finding Grace* “Happy endings abound in this novel about the power of love and friendship.” —Kirkus Reviews “A compelling mix of story lines . . . Plenty of good banter and characterization.” —Publishers Weekly
