The Opel Astra F debuted in September 1991. With the Kadett E's successor, Opel adopted the Astra nameplate, which was already used by Vauxhall for the Kadett D and E (see Vauxhall Astra). It was offered as a three- or five-door hatchback, a saloon (sedan), and an estate (wagon) known as the Caravan and available with five doors only, bringing Opel's run of three-door wagons to an end at long last.
