~~Beliefs and the Dead in Reformation England- Amazon.co.uk~~

One of the most important aspects of the Reformation in England was its impact on the status of the dead. Protestant reformers insisted vehemently that between heaven and hell there was no 'middle place' of purgatory where the souls of the departed could be assisted by the prayers of the living. This was no remote theological proposition, but a revolutionary doctrine affecting the lives of all 16th-century English people, and the ways in which their Church and society were organised.

~~Beliefs and the Dead in Reformation England - Oxford~~

Beliefs and the Dead in Reformation England. Peter Marshall. Description. This is the first comprehensive study of one of the most important aspects of the Reformation in England: its impact on the status of the dead. Protestant reformers insisted vehemently that between heaven and hell there was no 'middle place' of purgatory where the souls of the departed could be assisted by the prayers of those still living on earth.
