Booth/Cleary Introduction to Corporate Finance is the only ground-up Canadian introductory finance textbook on the market. The text's authors, internationally renowned researchers, Laurence Booth (University of Toronto), and Sean Cleary (Queen's), provide students with a solid foundation in the theory and application of corporate finance topics within a uniquely Canadian context. The authors present complex material in an accessible and applied fashion, which gives students both a strong understanding and an interest in the subject. Booth/Cleary Introduction to Corporate Finance is the only book that will provide students with the skills they need to succeed not only in the undergraduate course, but in their future careers.

Introduction to Corporate Finance, Second Edition continues to be a landmark in Canadian corporate finance. Written from the ground up by internationally recognized researchers, Laurence Booth, University of Toronto and W. Sean Cleary, Queen's University, the text is built around a unique framework that recognizes that finance rests upon three distinct legs: economics, accounting, and law.

## Where To Download Booth And Cleary Introduction To Corporate Finance

The text enables instructors to provide their students with a solid foundation in the theory and application of corporate finance, but with extensive coverage of new areas of finance that are important to Canadians. The state of the financial world and the global financial crisis has dominated world affairs, with everyone wanting to know: What happened? Why? Where do we go from here? Introduction to Corporate Finance, Second Edition addresses these questions with clear, easy-to-understand discussion and analysis suitable for introductory finance students. In addition, each chapter includes a new Lessons to be Learned feature that illustrates an important concept in that chapter, and how that basic tenet of finance was either ignored and thus fuelled the financial crisis, or was adhered to and helped to mitigate the effects of the crisis. This highlights and reinforces the concept to readers the future leaders of our business community.

The fifth edition of Introduction to Corporate Finance is a student friendly and engaging course that provides the most thorough, accessible, accurate, and current coverage of the theory and application of corporate finance within a uniquely Canadian context. Introduction to Corporate Finance will provide students with the skills they need to succeed not only in the course, but in their future careers.

This package includes a three-hole punched, loose-leaf edition of ISBN 9781119253976 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. In the fourth edition of Introduction to Corporate Finance, authors Laurence Booth and Sean Cleary welcome new author Ian Rakita. The addition of a new author further enhances this already great ground up Canadian text. The fourth edition has been revised to be even more user friendly and engaging. Content has been restructured with additional sub headings in some chapters and the merger of some sections in others--all with the goal of aiding comprehension and retention. The text continues to provide undergraduate students with the most thorough, accessible, accurate, and current coverage of the theory and application of corporate finance within a uniquely Canadian context. This text will provide students with the skills they need to succeed not only in the undergraduate course, but in their future careers.
