United Kingdom — As
the number of fashion
and design school
graduates continues to
rise, it ' s more
challenging than ever to
secure a position at a
prestigious fashion
house. A stellar creative
portfolio — one that

Access Free Building A

effectively communicates
creativity and innovation
— gives applicants a
significant advantage
over the competition.

Large windows provide ample natural light, and a more compact, multi story design makes it easier to heat and cool the school building.

Reinforced concrete and brick walls give buildings

Access Free Building A

a high fire rating as well as help to maintain a comfortable internal temperature. Maureen Joy is an excellent example of this sort of green renovation.
