Cambridge Handbook of Strategy as Practice Now in its second edition, this extended and thoroughly updated handbook introduces researchers and students to the growing range of theoretical and methodological perspectives being developed in the vibrant field of strategy as practice. With new authors and additional chapters, it shows how the strategy-as-

Cambridge Handbook of Strategy as Practice

This second edition of the handbook confirms the strong enthusiasm for the generation of new ideas about the way practitioners are doing their strategy work. Strategy-as-practice research focuses on the micro-level social activities, processes and practices that characterize organizational strategy and strategizing.

Introduction: what is strategy as practice? - Cambridge ...

This chapter introduces activity theory as an approach for studying strategy as practice.

An activity theory approach to strategy ... - Cambridge Core

Strategy as Practice can be regarded as an alternative to the mainstream strategy research via its attempt to shift attention away from merely a focus on the effects of strategies on performance alone to a more comprehensive, in-depth analysis of what actually takes place in strategic planning, strategy implementation and other activities that deal with strategy.
