Larkin's charts have been called "the gold standard" of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920, including more than 17,000 copies in recent years.

Unlike most other commentaries on the Book of Revelation, Not Your Grandmother's Book of Revelation presents Scripture to dispel the many misinterpretations that have been perpetuated for the last one hundred years. Many of those misinterpretations have a foundation from the book Dispensational Truths by Baptist Pastor and Biblical scholar Charles Larkin, which was published in 1918. In addition to the influence of Mr. Larkin's book, many misinterpretations result from the false belief that the Book of Revelation is written in chronological order and that all of the events shown to John will occur during the final seven years, Daniel's seventieth week. In this book, Scripture is presented that positively establishes that the Revelation of Christ as recorded by John is written in the order that the events were shown to John, not chronologically; that the events of the vision, "the events that shall be hereafter" (Revelation 1:19), began occurring during the second and third century after the death and resurrection of Jesus Christ; that the first three and a half years after the signing of the peace agreement between Israel and "many" will be a peaceful time during which Israel will build the third Temple; the final three and a half years, the Great Tribulation, is the pouring out of the wrath of Satan, not the wrath of God; and that Jesus told the apostles that the First Resurrection, the "Rapture" does not occur until "immediately after the tribulation" (Matthew 24:29). It will be shown that America is in the Book of Revelation. A detailed description of the Antichrist, False Prophet, one-world government "Beast," and "mark of the Beast" are presented, as is a synopsis of all chapters and the prophecies of Daniel. Finally, a timeline of the events of the vision is presented.

Those Days was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to heaven. It will be 2,520 days of God's increasing wrath poured out on man "such as has not been since the beginning of creation . . . and unless the Lord had shortened "those days," no flesh would be saved" (Mark 13:19"20).

Perplexed by the book of Revelation? Not sure what all the signs, symbols and metaphors really mean? Jim Harman's latest work unravels Apostle John's remarkable revelation of Jesus Christ and what's in store for the inhabitants of planet Earth. This extraordinary commentary is not another cookie-cutter, rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today's church. This unique book outlines the 7 strategic sections of John's vision that are further divided into 7 segments. The reader will come away with a new and enlightened understanding of what the last book in God's Word is all about. Understand the book of Revelation and why it is so important for believers living in the last days of the Church age. Calling All Overcomers is more than the title to this book...it's the personal call of God's own heart. One of the central messages in the book of Revelation is that God is calling men to be genuine overcomers. Jesus Christ has been sent out from the throne of God to conquer men's hearts so they can also be overcomers. The purpose of this book is to encourage people to embrace him as the King of their heart and allow his life to reign in theirs. He wants you to be able to overcome by his mighty power and strength living inside of you just as He overcame for all of us. Jesus will be looking for a faithful remnant qualified to rule and reign with him when he returns. This book will help you prepare to be the overcomer Jesus will be looking for. Learn about: Who the Rider on the 1st Horse Really Is, the 7 Blessings Available to Believers, How to be a Genuine Overcomer, 7 Promises Available to All Overcomers, Sign of Christ's Coming and much, much more.

Here is a study that opens up the Book of Revelation in a clear, step-by-step and scholarly manner. It is for those who have avoided studying this last book of the Bible because of all of the questions surrounding it and because of the many divergent views advocated.

A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible.
