The Shoppes at Carlsbad hosts " The Meerkat Meetup, " a monthlong, playful exhibit of oversized, brightly colored meerkat sculptures, through June 28 as part of a national tour, kicking off in ...

Narrada detalladamente y con emoción, la historia principal se fragmenta en otras que se anudan a través de unos personajes llenos de matices que comparten el mismo telón de fondo: Pablo Escobar manejando los hilos y las vidas de todos, como si fuesen sus marionetas, haciéndoles bailar y saltar al son que él quiere tocar; y en el momento que lo quiere tocar. Ganadora del VII Premio Alfaguara de Novela 2004

An unemployed literature professor reduced to selling dog food for a living, Aguilar returns from a brief business trip to find that his wife, Agustina, has had a complete mental breakdown, and as he struggles to help her regain her sanity, he begins to realize how little he knows about his wife's troubled past. Reprint. 15,000 first printing.

É possível manter-se são num lugar insano? Delírio é uma resposta atualizada a essa questão, que já ocupou e preocupou autores como Sófocles em Édipo Rei, Shakespeare em Hamlet, Kafka em O processo, Sartre em A náusea. Um homem volta de uma curta viagem de negócios e encontra a mulher fora de casa e longe de seu juízo perfeito. Sem saber o que aconteceu durante sua ausência e na tentativa de tirá-la da crise, ele começa uma investigação que revelará a vida privilegiada, mas problemática, da mulher, imbricando várias histórias, como a de um antigo amante envolvido com o megatraficante Pablo Escobar, a de um avô alemão marcado pela tragédia e a de uma infância vivida entre a riqueza, o poder e a dor.

The story of a passionate love triangle is set against the turbulent backdrop of a way station for refugees seeking an escape from violence and terror, in a bilingual English/Spanish edition of a new novella by the author of Dark Bride. Original.

From acclaimed Colombian author Laura Restrepo comes a prize-winning novel inspired by a true crime that shattered a community and exposed the dark recesses of toxic masculinity and privilege. Immune to the consequences of immorality, five privileged young men in Bogotá bond over a shared code: worship drugs and drink, exploit women, and scorn the underclass. As males, they declare the right to freedom of pleasure. As friends, only disloyalty to each other is forbidden. When a little girl from the slums disappears, the limits of a perverse and sacred bond will be tested in ways none of them could have imagined. Hauntingly true, this daringly told work of fiction explores the tragic dynamic between genders, social classes, and victim and victimizer, and between five men whose intolerable transgressions will shake the conscience of a country.

From one of the most accomplished writers to emerge from Latin America, No Place for Heroes is a darkly comic novel about a mother and son who return to Buenos Aires in search of her former lover, whom she met during Argentina ' s Dirty War. During Argentina ' s " Dirty War " of the late ' 70s and early ' 80s, Lorenza and Ramon, two passionate militants opposing Videla ' s dictatorship, met and fell in love. Now, Lorenza and her son, Mateo, have come to Buenos Aires to find Ramon, Mateo ' s father. Holed up in the same hotel room, mother and son share a common goal, yet are worlds apart on how they perceive it. For Lorenza, who came of age in the political ferment of the ' 60s, it is intertwined with her past ideological and emotional anchors (or were they illusions?), while her postmodernist son, a child of the ' 90s who couldn ' t care less about politics or ideology, is looking for his actual father—not the idea of a father, but the Ramon of flesh and blood. Anything goes as this volatile pair battle it out: hilarious misunderstandings, unsettling cruelty, and even a temptation to murder. In the end, they begin to come to a more truthful understanding of each other and their human condition. No Place for Heroes is an addition to that long tradition of the eternal odd couple—in works ranging from Waiting for Godot to Kiss of the Spider Woman—waiting for their fortunes to change, written by one of the most talented and internationally celebrated authors at work today.

From revered Colombian writer Laura Restrepo comes the smart, thrilling story of a young woman trying to outrun a nightmare. María Paz is a young Latin American woman who, like many others, has come to America chasing a dream. When she is accused of murdering her husband and sentenced to life behind bars, she must struggle to keep hope alive as she works to prove her innocence. But the dangers of prison are not her only obstacles: gaining freedom would mean facing an even greater horror lying in wait outside the prison gates, one that will stop at nothing to get her back. Can María Paz survive this double threat in a land where danger and desperation are always one step behind, and safety and happiness seem just out of reach?

¿Quién es y de dónde viene un supuesto ángel, ese muchacho perplejo y de asombrosa belleza a quien mantienen encerrado en una cueva?

Once a month, the refinery workers of the Tropical Oil Company descend upon Tora, a city in the Colombian forest. They journey down from the mountains searching for earthly bliss and hoping to encounter Sayonara, the legendary Indian prostitute who rules their squalid paradise like a queen. Beautiful, exotic, and mysterious, Sayonara, the undisputed barrio angel, captivates whoever crosses her path. Then, one day, she violates the unwritten rules of her profession and falls in love with a man she can never have. Sayonara's unrequited passion has tragic consequences not only for her, but for all those whose lives ultimately depend on the Tropical Oil Company. A slyly humorous yet poignant love story, *The Dark Bride* lovingly recreates the lusty, heartrending world of Colombian prostitutes and the men of the oil fields who are entranced by them. Full of wit and intelligence, tragedy and compassion, *The Dark Bride* is luminous and unforgettable.

In 1908, under orders to defend a tiny, isolated Pacific atoll from an improbable French invasion, Mexican captain Ramón Arnaud, his young bride, Alicia, and eleven soldiers and their families set sail for the so-called Isle of Passion. In this dire, forbidding place, a viable community is created under Ramón's guidance and inspired by Alicia's dedication. But they are soon forgotten by a motherland distracted by political upheaval and the first rumblings of World War I. Left to the mercies of nature and one another—falling victim one by one to disease, hunger, lust, despair, and, ultimately, violence—the castaways who remain must find strength in the courage and steadfast resourcefulness of Alicia Arnaud, upon whom their collective survival now depends. Based on true events, Laura Restrepo's *Isle of Passion* is a brilliantly rendered and dramatic tale of savage human nature—and one woman's determination to triumph over a harrowing fate.
