EDWARD SAID: LITERARY THEORY, THE DISCOURSE OF POWER, AND ...

Orientalism is a 1978 book by Edward W. Said, in which the author establishes the eponymous term "Orientalism" as a critical concept to describe the West's common, contemptuous depiction and portrayal of "The East," i.e. the Orient. Societies and peoples of the Orient are those who inhabit the places of Asia, North Africa, and the Middle East. Said argues that Orientalism, in the sense of the Western scholarship about the Eastern World, is inextricably tied to the imperialist societies who produ
