The area of freedom, security and justice is a collection of home affairs and justice policies designed to ensure security, rights and free movement within the European Union. Areas covered include the harmonisation of private international law, extradition arrangements between member states, policies on internal and external border controls, common travel visa, immigration and asylum policies and police and judicial cooperation. As internal borders have been removed within the EU, cross-border

**UPDATE—European Area of Freedom Security & Justice**

Europe ' s area of freedom, security and justice is of increasing importance in contemporary EU law and legislation. It is worthy of special research attention because of its high-stakes content (particularly from an individual and a state perspective) and because its development to date has tangentially thrown up some of the most important and contentious constitutional questions in EU law.
