How To Change Your Johnson or Evinrude VRO Fuel Pump ...

Its a 1990 Johnson 60 HP VRO model. The power head was rebuilt two years ago. Compression is good (110, 115, 110) and has a brand new power pack (spark is good). THE PROBLEM: I had the motor installed on my 1984 17' Grady White at the beginning of last summer. It ran well the first 5/6 trips. It then started to develop the "problem" - after ...

On the older Johnson and Evinrude models (mine is 40hp), you ' ll find the port and mounts on the starboard side of the engine. It will be between the starter and the main battery connector (positive). You may have to do a little research for your model, but most outboards with VRO oil pumps have the second option for a fuel pump only. There should be
