George Washington's Teeth: Deborah Chandra and Madeleine ...

George Washington's dental dilemmas are presented in rhyming verse in this picture book by Deborah Chandra and Madeline Comora. Though the general thrust of the book follows documented history--the authors provide a detailed chronology of Washington's teeth troubles in the back of the book--there is a degree of play and looseness with character and situation.

George Washington's Teeth by Deborah Chandra

George Washington's Teeth book. From battling toothaches while fighting the British, to having rotten teeth removed by his dentists, the Father of His Country suffered all his life with tooth problems. Yet, contrary to popular belief, he never had a set of wooden teeth. Starting at the age of twenty-four, George Washington lost on average a tooth a year, and by the time he was elected ...

George Washington's Teeth by Deborah Chandra - Teaching ...

This book is entertaining and interesting from beginning to end. It tells how George Washington lost his teeth. My kindergartners LOVE this as a read aloud, and always have a bunch of questions at the end. There is a great timeline in the book, and a picture of George Washington's fake teeth. My students are mesmerized from beginning to end.

Amazon.com: Customer reviews: George Washington's Teeth

Now It Can Be Told: that severe, square-jawed look that the Father of Our Country flashes in his portraits reveals not only strength of character, but also his struggle to hide the fact that he was nearly (entirely, later in life) toothless by keeping a succession of spring-loaded false teeth in place. Drawing information from Washington's own writings, the authors deliver a double account of ...

dentists, the Father of His Country suffered all his life with tooth problems. Yet, contrary to popular belief, he never had a set of wooden teeth. Starting at the age of twenty-four, George Washington lost on average a tooth a year, and by the time he was elected president, he had only two left! In this reverentially funny tale written in verse and based on Washington's letters, diaries, and other historical records, readers will find out what really happened as they follow the trail of lost teeth to complete toothlessness. Illustrated in watercolors with subtle humor by Brock Cole, the main story is followed by a four-page time line featuring reproduced period portraits of Washington.

Poor Abraham Lincoln! His life was hardly fun at all. A country torn in two by war, citizens who didn't like him as president, a homely appearance—what could there possibly be to laugh about? And yet he did laugh. Lincoln wasn't just one of our greatest presidents. He was a comic storyteller and a person who could lighten a grim situation with a clever quip. This unusual biography of Lincoln highlights his life and presidency, focusing on what made his sense of humor so distinctive—and so necessary to surviving his tough life and times.

Presents an assortment of facts about the qualifications and characteristics of U.S. presidents, from George Washington to Barack H. Obama.

Something strange is in the air on this dark, cold night. The members of Fright Club are always ready to scare, but tonight Fran K. Stein has something else on his mind. He's busy making something, and the other monsters want to know what it is. Could it be a mask with fangs? A big pink nose? Or maybe a paper butt? No . . . it's a Valentine! That means one thing . . . EEEEK!! Is Fran in love? What could be scarier than falling in love?!? In this hilariously spooky story by Geisel Award-winning author and illustrator Ethan Long, even the scariest of monsters have true feelings.

When her father becomes annoyed with the rabbits that are eating his carefully tended lawn at their summer cabin, Elizabeth tries to decide how to help because she loves the rabbits. Reprint.

Read Along or Enhanced eBook: THE HOUSE THAT GEORGE BUILT takes readers through the process of how the president's house came to be—starting with the contest George held to choose the perfect design for this legendary landmark, all the way to President John Adams's move into the grandiose home. Cleverly written in the familiar format of "The House That Jack Built," author Suzanne Slade supplements her rhyming verse with lively conversational prose, describing how George was involved in this project from beginning to end, from selecting the location to figuring out how to get the thousands of heavy bricks to the construction site. Rebecca Bond's watercolor illustrations help readers follow the steps to what became the White House as we know it today.
