Record Keeping - Suze Orman

It enables you to keep a log of stock received and stock issued. It can be used alongside a simple re-order system. For example, the two-bin system works by having

Read Book How To Keep Stock Records Procter

two containers of stock items. When one is empty, it's time to start using the second bin and order more stock to fill up the empty one. Stock cards are used for more complex systems. Each type of stock has an associated card, with information such as:
