The best sign will have a photograph of your bird. Give a detailed description. If the bird has a band, give that information (it is a good idea to withhold the band number itself so you have something that you can use to prove it is your bird; just give the initials and the year at first). 0 saves. Save.

When a Bird Escapes: How to Find a Lost Bird | Parrot Parrot

Looking for Lost Bird is the story of a woman who was adopted as a three-year-old by a Jewish couple from New York, although they got her in Florida. To this day, she does not know how she got to Florida from the Navajo Reservation, where she was born, or how the Silvermans, her adoptive parents, obtained her.

If a bird does this to you, it's almost certainly a pet bird. Other indicators include a bird that shows up in your yard or on your deck or balcony and sticks around. While wild birds will return to their nest or carry on with their flight patterns, a lost pet bird may just be looking for shelter.

What to Do If You Found a Pet Bird

If the young bird is unfeathered or covered in fluffy down (a nestling) and has obviously fallen out of a nest by accident, it may be possible to put it back. Only do this if you are sure which nest the chick came from and if it appears strong and healthy.

Lost Bird Story Summary. In the spring or summer of 1890, Lost Bird was born somewhere on the prairies of South Dakota. Fate took her to Wounded Knee Creek on the Pine Ridge Reservation on Dec. 29, 1890. On that tragic day, hundreds of Lakota men, women and children died in a confrontation with U.S. troops and the woman who likely was the child's mother was among them.

This lost bird's tale is a story of culture clash between American-Jewish-Middle Class in the 20th Century and Native America. Caught between these apparently widely diverse values and practices it was a surprise to me how many aspects were actually very much the same. It was a good read and brought many new understandings to this reader.
