Improve your sign layout skills Sign Painting books that help you learn logo design. One Sign Painting book is Mastering Layout by Mike Stevens is a must have book for any sign shop. This Sign Painting book will teach you the proper way a sign should be laid out, taking in balance, breathing room, and overall layout.

~~sign painting books~~

The late Mike Stevens discussed this years ago in his book, Mastering Layout. Mike's simple formula was that decorative typefaces were to be used sparingly for the primary copy. Secondary text should be done in highly legible type to ensure that more of the message could be read in the minimal time that most viewers have to read a sign.
