Into the Classroom is a series of short, practical guides that help teachers who work in the primary and secondary school setting to make sense of new teaching tools, techniques, and educational policy, with ideas for implementing them in the classroom. Mobile Learning provides clear guidance and essential support for teachers who want to use mobile devices in and outside the language classroom. Full of practical ideas and activities, it emphasizes the power of the mobile device as a tool for language learning. Mobile Learning: • helps teachers get started with using mobile devices and apps in class. • shows how to make the most of in-built features, such as messaging, photos, and audio recording. • introduces more advanced project ideas, including digital storytelling, video and animation, multimodal approaches, and augmented reality. • addresses issues such as acceptable use policies and staying safe. • provides teachers with dozens of practical ideas and activities they can immediately incorporate into their teaching. Shaun Wilden is a teacher, teacher trainer, and materials writer who has been helping teachers integrate technology into their teaching for over a decade. His main areas of interest are mobile devices, online teaching, and creating podcasts.
