# Where To Download OpenGTS Installation And Configuration Manual

I need someone who can help me (by remote) to install OpenGTS on a linux (CentOS 6) system. Help, means show and teach, so that i can write my own (step by step) manual for a futured

Where To Download  
Opengts Installation And  
installing. I don't need  
only a copy of the official  
installation and  
configuration manual witch  
is included in OpenGTS - i  
have that already.
