Speaking are two of the four language skills.

The other two language skills are reading and writing. Some people find they can speak well but can't understand when someone speaks back to them.

Others find that

listening and consuming
a language.

However, when
you're writing
or speaking,
you're producing
a language. Once
you've mastered
these skills,
you can safely
say that you're
fluent in that
language.
