Slapstick begins with a prologue that I won't hesitate to rank among Vonnegut's absolute best writing. It is honest, it is tenderhearted, it is sad and funny and bittersweet. It also provides an explicit key to deciphering the novel that follows, which is unusual. In another author's hands such a trick might seem overeager and embarrassing.

“Love is where you find it. I think it is foolish to go around looking for it, and I think it can be poisonous. I wish that people who are conventionally supposed to love each other would say to each other, when they fight, ‘Please – a little less love, and a little more common decency.’” – Kurt Vonnegut, Slapstick, or Lonesome No More!

Slapstick of Another Kind - Wikipedia

The writing style of "Slapstick" is classic Vonnegut, but perhaps the strangest book he wrote. And it's of course meant to be off the walls and odd. I found the story to be very creative and it's messages thought provoking. However going into reading this, one should have a general idea of what's going on in the plot.

Vonnegut himself rated Slapstick a 'D' among his works (giving Cat's Cradle and Slaughterhouse 5 an A+ each), but as this was my first Vonnegut book (recommended to me by a friend that had passed away) I still felt compelled to read more of his stories. The best part of this book, in my opinion, was the pre-story about how he came to write this book. Kurt Vonnegut opens up and lets the reader ...

About Slapstick or Lonesome No More! “Some of the best and most moving Vonnegut.”–San Francisco Chronicle Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today’s follies. – Kurt Vonnegut, Slapstick, or Lonesome No More! My 15-year-old son broke the screen on his iPhone 6s. I'm letting him buy down the debt (to me) by reading 6 Vonnegut novels before the end of the year. Every book he reads, drops his big OWE down by \$10, up to \$60. He is still on the hook for the other \$80. This is what happens when daddy is an absurdist, but rules like a fascist King. Hi ho ...
