applications used in business and management situations. In the manner of the earlier editions, this edition too omits complex notations in favor of graphic and verbal explanations and aims to explain the subject with a practical orientation.

Buy Statistics for Management / Eighth Edition / By ...

Statistics for Management is the most comprehensive, yet easiest book I have ever used to teach statistics. The book breaks difficult subjects for beginners into easy to understand concepts and provides many relevant examples for students. I highly recommend this book for Master Black Belts teaching and Black Belts learning the tools of the trade.
