Published in the year 19595, Rethinking Instructional Supervision is a valuable contribution to the field of Education.

Since the 2008 financial crisis, a resurgence of interest in economic and financial history has occurred among investment professionals. This book discusses some of the lessons drawn from the past that may help practitioners when thinking about their portfolios. The book's editors, David Chambers and Elroy Dimson, are the academic leaders of the Newton Centre for Endowment Asset Management at the University of Cambridge in the United Kingdom.

Honor - Courage - Loyalty. The honor of a son following in the footsteps of his father... Though Veronica has flourished in the twenty years of peace since legendary Knight Jereth Sanctus defeated the evil Necromancer Ghast, the next generation of Knights enters their training utterly unaware of the unprecedented adversaries that will attempt to engulf the lands in war. The courage of a sorcerer laboring to clear his disgraced name... His recent embarrassing defeat drove Galvan Gabrielle to exile. But the return of a powerful dark sorcerer threatens the very existence of Galvan's homeland. Veronica's only hope is that Galvan can discover his true potential and face his greatest demons. The loyalty of a once-good man turned to the ultimate evil... Evil stirs and writhes beneath Veronica's long peace, twisting the hearts and souls of those who should be her staunchest defenders into the vilest enemies she has ever faced. Led by a corrupted Knight, a dark and hideous army rises to consume the lands in darkness forever. Gripping, stunning, and deeply moving, The Trinity of Heroes is the first book in the I Will Protect You series from authors Jared and Justin Mason. This enchanting fantasy epic blends elements of knighthood and sorcery together, intertwining multiple characters and stories to take readers on a journey into the world of Veronica.
