10 Secrets of What Great Leaders Know and Do

Over the holiday week, I read The Secret: What Great Leaders Know and Do by Ken Blanchard and Mark Miller. I have to admit, for most of my life I've disliked the term "leader." When you're growing up, it seems like in school, at work, and on sports teams, everyone is trying to make you rise up and "be a leader."

Along the way, Debbie learns: - Why great leaders seem preoccupied with the future

10TH ANNIVERSARY EDITION, REVISED AND UPDATED In this new edition of their classic business fable, Ken Blanchard and Mark Miller get at the heart of what makes a leader successful. Newly promoted but struggling young executive Debbie Brewster asks her mentor the one question she desperately needs answered: "What is the secret of great leaders?" His reply--"great leaders serve"--flummoxes her, but over time he reveals the five fundamental ways that leaders succeed through service. Along the way she learns: • Why great leaders seem preoccupied with the future • How people on the team ultimately determine your success or failure • What three arenas require continuous improvement • Why true success in leadership has two essential components • How to knowingly strengthen--or unwittingly destroy--leadership credibility The tenth anniversary edition includes a leadership self-assessment so readers can measure to what extent they lead by serving and where they can improve. The authors also have added answers to the most frequently asked questions about how to apply the SERVE model in the real world. As practical as it is uplifting, The Secret shares Blanchard's and Miller's wisdom about leadership in a form that anyone can easily understand and implement. This book will benefit not only those who read it but also the people who look to them for guidance and the organizations they serve.

The Secret introduced people around the world to a profound yet seemingly contradictory concept: to lead is to serve. With that as the foundation Great Leaders Grow takes the next step, showing leaders how to ensure that they'll be able to effectively serve throughout their careers. The Secret's protagonist, Debbie Brewster, now an accomplished leader herself, becomes a mentor to Blake, her former mentor's son. She teaches him not just how to lead, but emphasizes the critical importance of continually learning and developing his leadership abilities throughout his career. She identifies four areas in which every leader must continue to GROW - Gain Knowledge (of themselves, others, their industry and the field of leadership); Reach Out to Others, both formally and informally; Open their World, at work and outside of work; and Walk toward Wisdom (through self-evaluation, feedback, counsel and over time). This book is for any leader in any organization that needs more and better leaders faster. Its blueprint for culture transformation is a simple yet revolutionary path to sustainable achievement.

Completely revised and updated, a 10th-anniversary edition of a classic business book unveils the five fundamental ways that great leaders succeed through service and offers a leadership self-assessment test so readers can pinpoint the areas in which they need improvement.

Are you the type of leader people want to follow? You can be--but first, you've got to understand what sets great leaders apart from all the rest. Certainly, leaders need people skills, execution skills, a deep knowledge of industry trends, the ability to articulate a vision, and more--they must be competent--but that's just the tip of the iceberg. What's below the waterline? What's deep inside the best leaders that makes them different? Mark Miller contends it is their leadership character. In his latest enlightening and entertaining business fable, he describes the five unique character traits exhibited by exceptional leaders and how to cultivate them. The Heart of Leadership begins with young and ambitious Blake Brown being passed over for a desperately wanted promotion, despite an outstanding individual performance. Confused and frustrated, he turns to his former mentor, Debbie Brewster. Rather than attempting to solve Blake's problem for him, she sends him on a quest to meet with five of his late father's colleagues, each of whom holds a piece of the puzzle he's trying to solve. As Blake puts the pieces together, he discovers that in the final analysis, a lack of skills isn't what holds most leaders back; skills are too easy to learn. Without demonstrated leadership character, however, a skill set will never be enough. Most often, when leaders fail to reach their full potential, it is an issue of the heart. This is Blake's ultimate revelation. This book shows us that leadership needn't be the purview of the few--it is within reach for millions around the world. The Heart of Leadership is a road map for every person who desires to make a difference in the lives of others and become a leader people want to follow.

WHAT ARE THE 50 SECRETS OF GREAT LEADERS THAT THE REST OF US SHOULD KNOW? The Secrets of Great Leaders reveals the 50 things you need to know to motivate and inspire those around you. How the world's most successful leaders inspire their people to get things done Great Motivation Secrets of Great Leaders explores the leadership styles of many of the world's most influential leaders in business, the military, sports, and politics and extracts powerful lessons that managers can put to work in their organizations. Drawing upon his years of experience as a leadership consultant, visionary, and coach, John Baldoni, author of the highly successful Great Communication Secrets of Great Leaders: Reveals the motivational techniques of Sam Walton, Mary Kay Ash, Ronald Reagan, Colleen Barrett, Col. David Hackworth, Earvin "Magic" Johnson, and other influential leaders Distills the proven motivational techniques of great leaders into core strategies and step-by-step solutions Explains ways for managers to use these techniques in everyday situations

Presents a business fable that discusses the three elements that successful teams have in common and how to implement them into one's organization.

As a serial entrepreneur, Kevin Kruse has seen time and again that the leadership practices that actually work are the opposite of what is commonly taught and implemented. Close Your Open Door Policy shows how a contrarian approach can be a better, faster, and easier way to succeed as a leader. Chapter by chapter, Kruse focuses on a piece of popular wisdom, then shows with real-world case studies and quantitative research that the opposite approach will lead to better results, encouraging leaders to play favorites, stay out of meetings, and, of course, close their open doors.
