To seek and find God is everything. In his forty-three years of seeking after God, Francis Frangipane has learned one simple (yet essential) truth... It is in seeking God, that we actually find Him. The deliberate movement of our hearts toward God leads us into far more than a simple answer to our need--it leads us straight to Him. We discover God to be an ally whose wisdom is all encompassing and whose power can transform all things with just one look. In I Will Be Found by You he shares a collection of some of his best writings on the topic, both old and new, to reveal the key to seeking God and possessing a heart after God--the key that unlocks everything important.

Pursue holiness, engage in effective spiritual warfare, and find strength to stand against the enemy. This book of daily readings will help you learn that spiritual warfare begins with holiness as you examine the three arenas of spiritual warfare that every maturing Christian will face: the mind, the church, and the invisible spiritual realm. You will find strength to stand against the enemy by focusing on: * Areas of darkness in their hearts that the Lord wants to expose * Unity and love--two keys that unlock the power of God to move * Jesus and the power He gives to contend in the heavenly realm This balanced, biblical view of spiritual warfare will arm you with the discernment, wisdom, and insight you need for taking ground in your life and contending with unseen spiritual forces all around you.

This is the first of four training manuals used by "In Christ's Image Training" (ICIT) online courses. The vision of ICIT is to train and release hundreds of thousands of Christlike pastors, leaders and intercessors to stand before God on behalf of the world around them. We were created for one purpose: to become Christlike. Once we truly begin to manifest the maturity, power and attitudes of Jesus Christ, all things come into perspective and all relationships begin to expand toward heavenly proportions. Christ did not die on the cross simply to "save" us in a theological sense; He saves and forgives us that He might transform us. It is our hope that the truths presented in this manual will ignite a passion for Christians around the world to pursue the character and love of Christ. If we truly reveal Jesus, we will awaken the pleasure of God, and when the Father's pleasure is stirred, His redemptive power soon follows.

One of the Washington Post's 20 Books to Read This Summer A riveting history of the epic orbital flight that put America back into the space race. If the United States couldn't catch up to the Soviets in space, how could it compete with them on Earth? That was the question facing John F. Kennedy at the height of the Cold War—a perilous time when the Soviet Union built the wall in Berlin, tested nuclear bombs more destructive than any in history, and beat the United States to every major milestone in space. The race to the heavens seemed a race for survival—and America was losing. On February 20, 1962, when John Glenn blasted into orbit aboard Friendship 7, his mission was not only to circle the planet; it was to calm the fears of the free world and renew America's sense of self-belief. Mercury Rising re-creates the tension and excitement of a flight that shifted the momentum of the space race and put the United States on the path to the moon. Drawing on new archival sources, personal interviews, and previously unpublished notes by Glenn himself, Mercury Rising reveals how the astronaut's heroics lifted the nation's hopes in what Kennedy called the "hour of maximum danger."
